The SDRCC Becomes Marketing Partner with the 2012 LawAccord International Convention

Montréal (Québec) - The SDRCC is pleased to announce a marketing partnership with the organizers of the 2012 LawAccord Convention taking place on May 22 at the Hilton Hotel in Quebec City, Quebec. This event, held in conjunction with the 10th edition of the prestigious SportAccord Convention, addresses the timely and controversial theme of good governance in sport and is open to sports federation administrators, sports lawyers, arbitrators and mediators, as well as event organizing committees and policy makers.

The 2012 LawAccord program will focus on the following two debate questions: "Given the monolithic and plenary authority of international and national sports governing bodies, what does good governance require?" and "What good governance principles regarding internal dispute resolution are required to keep sports out of court?"

As a result of the marketing partnership between LawAccord and the SDRCC, anyone entering the promotional code "SACSDRCC" when registering online will be entitled to a 10% discount off the registration fee. Further information regarding the LawAccord program and details on registration are available at the following link:
